专题复习卷(四)

1. Long long ago, there was a little girl. Her name was Little Red Riding Hood. One day, her grandma was ill. Little Red Riding Hood went to visit her. On the way, she met a wolf. The wolf said, "Why not pick some flowers?"

"That's a good idea." The wolf went to her grandma's house and swallowed her up whole. Little Red Riding Hood came, "What are you doing, dear grandma?"

"I'm just waiting to eat you, little girl." The wolf jumped up and swallowed up Little Red Riding Hood. And then, he fell into a deep sleep.

A hunter passed (经过,路过) by. He killed the wolf and cut open its stomach. Little Red Riding Hood and her grandma were saved.

2. **Last Sunday**

It was sunny and windy last Sunday. I met my good friend Lily in the park. But Lily looked very sad. She lost her purse (钱包). The purse was from her mother. It was her birthday present. Look, she was looking for it. I went to help her. It wasn't on the grass. Oh, it was under the flower. Lily got happy.

3. Last summer holiday. I went to Jinniu park with my family. We went there by bus. There were a lot of people there. In the morning, we visited the park and saw many beautiful things. We took some pictures. Then we went boating in the lake. It was very interesting.

In the afternoon, we had a picnic under a big tree. We ate a lot of delicious food and drank some juice. In the evening, we went home. We were tired but very happy.

What a nice day!

4. **Then and now**

Six years ago, I was a little boy. I was short and thin, but now I'm strong and tall. Six years ago, I could read and draw, but I couldn't write. Now, I can do many things. I have a computer, I can write emails and do shopping on the Internet. And I have many e-friends from all over the world. I can play football very well. I often play football with my friends after school. Do you like football? Do you want to make friends with me?

5. **In the library**

It was Saturday. I went to the library with my mother. We wanted to read some books. There are some signs on the walls of the library. The signs mean different things. I know a lot about them. This sign means we can't eat or drink in the library. That sign means we can't smoke there. We should keep quiet in the library too.

6. **Our city**

Our city isn't as clean as before. The air is dirty, and the river is dirty too. People litter everywhere.

To keep our city clean, we should move some factories away from our city. Don't cut down too many trees. Don't litter and don't use too many plastic bags. By doing these things, our city will be better and better.

7. **Protect the Earth**

We shouldn't use the plastic bags. We shouldn't pour dirty water into the river. We should not throw rubbish here and there. We should plant more trees and flowers. We should save water and energy. We should ride bikes or walk to school.

I believe the problem will be solved in the near future and the Earth will become better and better.

8. **To David**

Dear David,

How are you? It's going to be Chinese New Year next week. I'm very excited!

Today, my family and I buy some new clothes and food. Tomorrow, we're going to make some dumplings and *tangyuan*.

On Chinese New Year's Eve, we're

going to have a big dinner with my grandparents. Then, we're going to buy some sweets and nuts. In the evening, we are going to watch *chunwan* together.

On Chinese New Year's Day, my parents and my grandparents are going to give me red packets. Then, we're going to watch a lion dance in the afternoon. We're going to watch fireworks in the evening.

What are you going to do at Chinese New Year?

Love
