八、 My aunt and I went to visit the Great Wall last weekend. My good friend Susan went with us.

We met in Tian'anmen Square and took a bus to the Great Wall at 8:00 a. m. We got to the foot of the Great Wall at 9:00. Then we went on it. We saw the beautiful sights, took lots of photos and had a picnic for lunch on it.

It was an amazing day out. Though we were tired, we were very excited and happy. We hope to visit it again sometime later.

九、Dear Sir/Madam,

I'd like to recommend Susan for this
term's Best Student Award. Susan does well in
her subjects at school. She did better in
Maths, Chinese and English. She enjoys
sports and she is good at playing basketball.
She's a member of the school basketball team.
She is helpful. She often gives her seat to the
elderly on the bus. She often gives her money
to Project Hope.

I want Susan to get the award. I look
forward to hearing from you soon.

Yours faithfully,

Millie

九、 My pet

I have a pet, and it is a bird. Its name is
Polly. Her feathers are yellow and green and
they look very beautiful in the sun. The bird is
quite clever. When I come back home, she
says "Hello" to me. When I leave home, she
says "Goodbye" to me. So I like her very
much. Now I have a new idea. I want to teach
her to say more words and teach her to sing
well. Don't you think it is a good idea?
