七、 Tom and Mike were good friends. Sometimes they were kind to each other. Sometimes they were not. But the other students around them said they were like brothers.

One day, they went out for a walk together. At noon, they wanted to eat something and they went into a restaurant to have lunch. The waiter asked them, "What can I do for you?"

"Give me two apples first," said Tom.

When the waiter put the two apples on the table, Mike took the bigger one very fast. Tom got angry. "You are not polite. Why didn't you take the smaller one?" Tom said.

"But I was right," said Mike with a smile. "If I let you take first, which one do you take?"

"I will take the smaller one," said Tom. "Yes," Mike said, "if you take the smaller one, the bigger one will be mine. Don't you think so?"

"Oh," Tom couldn't answer.
